

## RAPIDRUN™

**Saves Time & Money**  
**Offers High Performance & Quality**  
**Allows For Easy Upgrades**  
**Fast, Complete A/V System**  
**Do More!**

The hospitality market is creating an atmosphere that fits with the ever changing technological needs of today's traveler. Property owners and managers need the freedom to plan for future upgrades while increasing return on investment. Hotels require a fast and easy audio/video system to modernize their guest rooms and suites, with high definition televisions and connections for portable devices such as laptops, MP3 devices, DVD players, digital cameras, camcorders and gaming systems.

RapidRun is the perfect solution for digital upgrades and can easily be updated from Component Video to HDMI™ in seconds. Whether adding digital connections in guest rooms and suites, high definition televisions to the hotel bar or upgrading conference and meeting rooms, RapidRun saves time and money.

### RapidRun Is Ideal For A Variety Of A/V Applications Including:

**Conference Rooms**  
**Hotel Meeting Rooms**  
**Digital Signage**  
**Bars/Lounges**

**Fast & Easy Upgrades For Greater ROI!**
