

RAPIDRUN®

Saves Time & Money
Offers High Performance & Quality
Allows For Easy Upgrades
Fast, Complete A/V System
Do More!

RapidRun is built to save installation time, accommodate changes, and reduce the likelihood of return service calls due to faulty field terminations.

RapidRun allows for multiple signal types can be supported over your choice of runner cable – such as VGA, Composite Video, SVideo, Component Video, or HDMI® and DVI Video.

RapidRun is the fast, complete A/V cabling system.

It All Comes Together!

Whether You Need These High Demand Products Today Or In The Future

RapidRun will allow you to upgrade your A/V system without pulling new cables

Wall Plates Are Available In White, Black, Ivory And Aluminum
 Just attach the Break-Away to the Runner and you're done

Break-Away Flying Leads

Available with 24-karat gold-plated connectors in lengths of 1.5ft, 3ft, 6ft & 10ft

Ask how we can custom design a Wall Plate for your specific needs.
